

# Push-Off

The Type TPO1 Push-Off is ideally suited to the delivery of turf and landscape supplies. The compact design reduces lost load while still providing enormous horizontal force.

- Available to suit ISO/FEM “A” & “B” mount
- Opening range 1200mm
- Lost Load 75mm

- Unit Weight 110kg
- Maximum operating pressure 160 bar
- Maximum hydraulic flow 30 litres/min

## Eliminates expensive replacement or retrieval of pallets when delivering

Simple to operate

Position turf where needed

Smooth & efficient operation

No damage to turf...
